## Hot Dogging!

**M**y wife Debbie is such a dirty slut! Every Saturday night we go down to a local dogging site and Debbie strips down to her sexy underwear and puts on a sex show.

Last week she shocked me by inviting one of the men into the back of the car with her.

After he'd clambered in, she hurriedly removed his trousers and released his big cock.

On her hands and knees, she took his prick deep into her throat and started sucking on it hungrily.

At the same time, she put one of her hands between her thighs and started frantically rubbing her clit. It didn't take long for her to start building up to a huge climax. Her cunt juices were running down her thighs as her orgasm hit her. Screaming at the top of her voice, she came buckets.

Still shaking, she took her soaking wet fingers from her cunt and licked her pussy juices from them one by one, a look of pure filthy lust on her face!

Then she moved into the front of the car and squatted over the thick gear stick, easing it all the way up her wet twat.

Grabbing the lucky guy's

cock again, she started bouncing up and down on the gear stick, ramming it up her as far as it would go and wanking his cock frantically. With a groan, he unloaded his hot spunk all over her face. That pushed her over the edge and she screamed, "I'm fucking cumming!" as her juices erupted from her once again.

She licked as much cum from her face as she could reach, then she used her fingers to scoop up the rest and licked them clean. Then she eased herself free from the gear stick and began to lick all her juices from it, moaning in ecstasy as she did it. With her arse sticking out of the open car door, she called out to the other guys, "Which one of you wants to fuck me up the arse, then?"

I couldn't believe it! She was acting like a complete and utter whore, but she was obviously loving every second of it, and to be honest, so was I!

One of the guys stepped forward with a grin, loosening his trousers as he did so. "I'll be happy to do it, love!" he said.

Squatting down behind her, he lubricated her back passage with cunt juice

before slowly inserting his cock up her.

She started gasping and moaning as he started to build up a head of steam. The other guys were clicking away with their cameras as this young stud fucked my wife up the arse.

He couldn't last very long,

and after a few minutes he shot his load deep into Debbie's arse.

She was well and truly fucked that night and I can't wait to see what she does next week to top that!

John, Lincs.

# SO FIA

This probably wasn't what Sofia had in mind when she said she liked a big chopper, but seeing Halloween is the one holiday we can celebrate without worrying about offending any religious types, we're pulling the stops out with a couple of sets again this year.

"I love Halloween!" Sofia gushes, "although it's been such a weird year you probably don't need these fake cobwebs – I've gone so long without any cock I've probably got a few genuine ones in my knickers! If it hadn't been for my collection of toys, I might just have healed up by now!"

## THE RACK PACK!

Those smut-mongers at the Score Group never have any trouble tracking down big-norked MILFs to take a pronging on film for them - probable a lot of divorcees who feel like throwing caution to the wind now they're footloose and fancy free! This, the 5th volume of Big Racks Hot MILFs, kicks off with Shelby, who boasts a massive pair of fake boobs and a potty mouth, and she soon puts them both to good use, wrapping them round her fella's cock in a scene that turns out to

feature no actual shagging at all, but plenty of oral and tit-wanking action. Still, there's plenty of cock-in pussy action in the remaining five scenes, with a spit-roasting for Alysha among the boob-tastic highlights. Available from your local sex shop.

## Sleazy As Pie!

Teenagers, eh? When teenage rebellion started out it was just looking moody and riding motorbikes, but things have come on a bit since then,

with these teen(-ish) sploshers ddeciding to get their kicks not by riding Harleys, but by riding fat cocks until they spuff up their tushes! Yulia's just minding her own business, playing with a glass buttplug when in walks her boyfriend. Well, this lad's not the sort to look a gift horse in the mouth, and the replaced with his prong as he drills her shapely rear every which way before finishing off in doggy and depositing a load of jizz deep in her arse. Darya's fella, meanwhile, gets her in the mood with a magic wand and then fills his boots - and her jacksie! Two more Slavic sploshers follow, both just as eager for a back-scuttling to remember. Available from your local sex shop.

Like a lot of guys, I always get turned-on by nurses, which is perhaps why I ended up marrying one 18 years ago. My wife, Angie, knows all about my kink, so when we were in bed looking through your latest issue and came to the pictures of Belle, she knew exactly what I'd like. Sure enough, she went and changed into her spare uniform, and, returning to the bedroom, told me that she was going to have to give me a thorough examination. Needless to say, this began with her rolling down my pyjama bottoms, and out sprang my prick, already swollen and ready for her.

"Oh dear, it looks like we need to give this a bit of a massage, don't we?" Angie smiled, and grasping my shaft firmly, she slowly began to wank me off.

"Mmm, this is making me horny!" she said after a while. "Perhaps we ought to finish you off properly."

I nodded in agreement and, pulling aside her silky panties, she climbed on top of me and lowered her glistening cunt down onto my pole. Bouncing up and down frantically, it wasn't long before I was firing wad after wad of my spunk deep into her fuck tunnel. After that Angie soon brought herself off on my prick, and, after climbing off and licking our juices off my shaft, she pulled on her panties and said she ought to carry on with her rounds!

Gary, via email.

**Could be nurse!**

If you're after a full-on gangbang flick with a hint of Halloween, then you're in luck, because this features two ultra horny goth types sporting an actual pair of horns getting enough cock to keep them going till Christmas. Charlotte's got a thing for snakes - tattoos, a serpentine buttplug and five trouser snakes to plunder her every hole before five facials finish her off. Lydia Black, is, if possible, even more wanton in the second scene as she crams as many cocks into her at once as she possibly can!

**DEMON STAINS!**

## The Name's wand...

Lovehoney Deluxe Rechargeable Mini Massage Wand Vibrator  
£39.99  
[www.lovehoney.co.uk](http://www.lovehoney.co.uk)

The classic Magic Wand is, quite rightly one of the best loved sex toys on the market, thanks to its powerful, orgasm inducing action but it is a bit on the unwieldy side, so hats off to Lovehoney for coming up with this pint-sized version. At just 7.5 inches long, it's a lot more portable than a full-sized wand, and there's no need to plug it in to use it - it's fully rechargeable via a USB cable. Splash-proof (just as well!) and boasting 7 vibration patterns and 10 intensity levels, the domed head is capable of sending her over the edge whenever and wherever she fancies!

## DEAR JULIA

**Kacie keeps it up!**

Being in my 60s, I'm not the most tech savvy person you could meet, but I've managed to get the digital versions of your magazine, and it's definitely been worth it! My sex drive is just the same as it was in my 30s, and I'm sure it's my regular Escort habit that's helped keep it up.

Use it or lose it is what they say, and thanks especially to Kacy in your most recent issue, I've been using it at least once a day!

Edward, Worcester.

**Julia says:** And we'll do our best to help you keep it up for many years to come!

It's an often heard complaint, that when you order anything from a certain online retailer, it turns up in packaging that takes up half the hallway, no matter how small the item is. Well Leah's not the sort to let that bother her – if she gets a little vibe in a massive parcel, she'll make sure she has some pervy fun with both! # REAL WIFE SEX

*So lays on the perfect birthday pressie*

*Beth held him now rock-hard tool and began to lick the tip*

slip from her hand, and turned to me, her face covered in John's spunk.

She kissed me, and I could taste the cum that she pushed into my mouth with her tongue as she did so. John had collapsed back in to the chair, so I took Beth's hand and led her over to the bed, pushing her back on it. I reached down and took hold of her panties, and she lifted her bum in the air as I pulled them down and slipped them off past her stiletto heels. Kneeling at the edge of the bed, I put my hands on the inside of her thighs and spread her legs open. I dipped my head forward and inhaled deeply, before trailing kisses upwards on her inner thighs above her stocking tops.

Pushing out my tongue, I began to lick around Beth's fleshy outer lips, before using it to tease them apart and probe her inner folds. With my free hand I began to massage her clit, which was larger than mine, and so prominent that I couldn't miss it. I felt it harden under my touch as juice flooded from Beth's pussy over my face and mouth.

I could sense that she was getting close to coming, and I was tempted to push her over the edge to experience another woman's climax at my touch. But remembering that this was John's treat I pulled away and used my hands

and, just as we'd planned, each reached behind to simultaneously unhook our bras and let them slide off us.

Beth's tits were smaller than I'd expected - she must have worn push-up bras to work - but still a decent size, very firm, with dark pink nipples sticking out hard in front. We reached forward with opposite hands, and each cupped the others' boob and began to gently caress it. I bent my head down, and began to circle one of Beth's nipples with my tongue, before taking it between my lips and sucking it to full hardness. I looked across to see that John's cock was in his hand, and a ready look about ready to burst it was so swollen.

I let Beth's nipple slip from my mouth, and we stepped together to the chair, each taking one of John's hands and pulling him up. I put the cushions from the chair on the floor in front of him, and Beth and I knelt on them, one either side. I took John's heavy ball sack in my hand and began to squeeze it, whilst Beth held his now

rock-hard tool, and began to lick the tip, before opening her lips wide and taking the whole head of it into her mouth. I heard John let out a sigh, as Beth started to work her mouth up and down his member. We had planned to share the blowjob between us, but I was enjoying watching another girl suck my husband off so much that I decided to let her have it, and moved round behind her on my knees so that I could reach forward and caress her tits while she lapped at John's tool.

Beth let John's cock slip from between her lips, then held it and began to rub it all over her face, the shiny red helmet pressing against her cheeks as she did so. She then took it back in her mouth, and started to suck.

This was all just too much for John, and as Beth rubbed the head of his tool across her face again I heard him call out as a torrent of hot, sticky cum flew out over her cheeks and chin, the force of it making some even splash back on to my face.

She let his still-hard cock

It was my husband John's 30th last year, and I knew what he really wanted more than anything else was a threesome. I quite fancied the idea as well, and I knew my friend Beth, who's had a pretty adventurous sex-life, would be well up for it. Sure enough, when I mentioned it to her she didn't take any convincing, and we spent the week before his birthday planning exactly what we were going to do.

When John got home from work on his birthday we were all set. I told him to go and have a shower because I had a special treat for him, and when he got out of the shower I towelled him dry, and then led him to the bedroom where I sat him down naked on the chair and told him to close his eyes tight. Beth slipped out from behind the door where she was hiding. We'd spoken about what we were both going to wear, but even so the sight of her in pure white lace bra and thong panties, with matching suspender and stockings, with four inch stiletto heels and red lipstick - well, it was the classic male fantasy. I slipped off the robe that I'd been wearing, revealing my matching outfit, but all in black lace rather than white.

Beth and I stood together in front of the chair with our arms around each other's waists, and I said gently to John, "You can open your eyes now."

"This is my friend, Beth," I said, "And that's what you've got coming. But first, watch this." And with that, I leant forward and kissed Beth on the mouth, pushing my tongue in as I did so, and then pulling away ever so slightly so that John could see that I had. Then we stepped back from each other

tempting little puckered brown hole I cupped her sex in my hand from behind, letting my fingers circle round her clit, and pushed my thumb inside her. She was so wet it slipped in immediately, so I turned to John and said, "I think she's ready for you now."

He didn't need telling twice, and with his now hard-again-cock in his hand, he approached the bed. I took hold of his tool, and positioned it at Beth's pussy opening, then John slowly pushed forward, and I watched my husband's cock disappear up another woman's cunt for the first time.

Every few strokes he pulled his cock all the way out and held it to my mouth for me to suck Beth's juices from it, before returning it to her warm wetness.

As John thrust in and out of Beth's cunt, the friction caused her arsehole to stretch and relax with each stroke, and this looked so sexy I couldn't resist just dipping my head forward and running my tongue around it, and then flicking the tip over the hole itself, poking at it with my tongue whilst John continued to slam away at her cunt.

"I want something in my arse, now!" She shouted, so plus my butt-plug.

I squirted a little lube on to Beth's arsehole and massaged it in, feeling one, then two of my fingers slip into her arse as I did so. I pulled them out, then held the tip of the plug to her hole and pushed. The first inch or two slipped in easily with the lube, but as it widened out towards the base I had to use more pressure.

"Keep going!" I heard Beth cry, so with John still hammering away at her pussy I pushed the rest of the butt-plug into Beth's arse, watching her little anus twitch and stretch around the toy as it slid in.

I knew from personal experience how it must be feeling for Beth to have her arse and pussy filled at the same time, and for John too, as the feeling of the butt plug pushed against his cock through the walls of her pussy. So it was no surprise that neither of them could hold back

much longer, and as Beth started to yell out that she was coming, I heard John shout that he was, too. He slammed his cock into cunt one more time and shot his load deep

inside her as she climaxed around him, squirts of her pussy juice raining out over the bed as she did so.

Beth collapsed forward onto the bed, John's cock slipping from her as she did, but the butt-plug remaining firmly lodged up her arse. I knelt on the floor behind her, and leant forward to lap at my husband's spunk as it dribbled slowly out of her cunt, savouring the mixed flavour of her pussy and his cum.

"What about me?" I teased John as he collapsed back onto a chair. "When do I get to feel that cock of yours?"

He laughed and replied, "I think that you'd better get Beth to sort you out for now - I'm done for." And with that, Beth rolled over and leant forward, putting her mouth to mine, and cupping my breast with her hand. But it wasn't long before John was hard again, both of our tight arseholes were the first thing on the menu for him... 2

to position Beth on all fours at the edge of the bed, her arse pushed in the air with cheeks apart, revealing her

## No Spain No Gain

Last summer we went to Lloret de Mar where we found a cheap bar and ordered a couple of jugs of sex on the beach.

We were dancing and grinding to the music giving off all the right signals that we wanted a fuck that night. It worked a treat! We had men grinding behind us, pressing their cocks against our arses. Luckily we'd pulled two mates, so we could all head off back together.

As the music got saucier, so did we, and the boys loved it! I could feel the sexual tension building, with every kiss getting harder and more intense. He was grabbing my body like he couldn't get enough. I couldn't wait to get back and get it on till he exploded.

After a few more drinks and more raunchy dancing, we were ready to go back to their place, and carry on with the night.

We got back to their villa and poured some drinks, then stepped out. They had a

private swimming pool and we jumped straight in! I felt a little nervous about getting in with no bra on in front of my friend, but it didn't take long for the shyness to disappear, as we were soon too busy with our blokes to care.

It was getting more intense with each moment, - the sensation of cold water was making my nipples erect. A perfect invite for them to be sucked and bitten

The guy I was with got straight to it, ripped my top off, and was enjoying tugging on my nipple piercing with his teeth, whilst under the water, I had a hold of his cock.

It was huge! We were both moaning with pleasure as his hands

started to explore my shaved pussy, and quickly found that my clit is pierced too. I felt his body stiffen up as he rubbed it, getting my juices flowing.

Hearing my friend and her bloke moaning drove me even wilder!

Before I knew it, I had grabbed her hand and told her that she is more than welcome to touch it. As she did, I felt her body shudder, and there was a glint of excitement in her eyes.

I didn't stop there. I couldn't help myself. I grabbed her and kissed her, pushing her hard against the edge of the pool. I took one of her gorgeous breasts in my hand.

She stiffened up. I'm pretty sure she'd never experienced anything like this before, so I decided to take the chance, and show her what she's missing out on.

I moved my head to her breast, toying with her nipple with my tongue, nibbling at it. She was moaning with pleasure, and in doing so, I got even more excited. I could hear the guys moaning too. I don't think they'd expected this either.

I wanted to see how wet she was, so I found my way to her pussy. It was shaven

like mine. Just how I like it. She was very warm and wet.

As I rubbed her clit, she pulled me closer, kissing me hard, and moaning all the time. Her hands began to feel my body, taking my breast in her mouth, she started to return the favour. I began to moan.

She started rubbing my clit, so I slowly eased one, then two, then three fingers inside her. She was dripping wet. I had her juices all over my fingers.

By that point, I was hornier than hell, and I lifted her out of the pool and onto the side, spread her legs apart, and dived my face into her pussy. Within an instant, my tongue was licking, poking and tickling her fanny. Writhing and moaning in delight, this sent one of the boys over the edge, as I felt warm cum spray my back. I turned round, and the other sprayed in my mouth. I licked it all up, mixing with Emma's juices.

"Now I want some cock," I demanded, and took my bloke over to the other side of the pool. Emma had the same idea, and we both sucked off these guys in tandem.

By the end of our spunk-filled evening we were knackered.

Back at the hotel Emma said she had never realised I was bi but was glad I was. The rest of the holiday just flew by!

Charlie Lou, Derby.

Ava might have a bit of the Goth about her, but we're glad to say she's not one of those mopey emo types who wouldn't crack a smile for all the tea in China. As you can see, She's more than happy to smile, but (more importantly for us) she's also more than happy to get her togs off and treat us to an eyeful of her succulent boobs and invitingly shaven snizz!

"Yes, I'd prefer to think of myself as more of a vamp than a vampire, if you know what I mean," she say. "After all, I hardly ever bite!"

Well I think I'd be prepared to risk a little nibble, if that's what it took...

# Katie & Nicola

Apparently there have been complaints that Formula One's getting a bit too boring these days – something to do with the fact that the best driver's got the best car and, well, nobody else gets a look-in, unless they manage to impose time penalties on him now and again. Well Katie and Nicola have to perfect solution to making the sport a bit more interesting...

"Yeah, stick us in the pitstops! We might not be able to change the tyres in 7 seconds or something, but we'd definitely put our 'slicks' to good uses on those hunky drivers!"

# Louisa

Believe it or not, that isn't actually Louisa's old school uniform she's wearing here – there's no headmaster in the land that would get his students to dress up quite like that! But was Louisa always such a, um, naughty girl?

"Not at all! I was a right swot at school! I thought boys were all smelly and stupid and I didn't want to have anything to do with them at all. In fact I only had my first kiss when I got to college, and only sucked my first cock when I was 19! It was only then that I realised what I'd been missing out on. I've been making up for lost time ever since"

Alright, so Halloween's meant to be a scary time, but if East Midlands hottie Roxie Rae came round trick or treating, you'd be pretty keen to offer her a treat, wouldn't you? I'd certainly like to offer her a lot more than a handful of sweets...

"Well maybe it's just as well I don't go trick or treating then, isn't it?" she laughs. "I don't think I'd make it from one end of my street to the other before the sun came up!"

It turns out Darcy here first started posing for mucky pictures for a particular reason...  
"Girlfriends and guys kept on telling me that I had a really fantastic arse, but for the life of me I couldn't tell whether they were just being kind or if it was true. Suddenly it occurred to me that if someone took some pix of it, I'd be able to see for myself! Well, it was such a turn-on that I just kind of got into it from there, and here I am!"  
Well thank goodness for your idea – and your fabulous arse!

Having been stuck at home for months on end, we've all had the opportunity to work on our DIY skills – in every sense, if I'm anything to go by! So while this lockdown's been a terrible time for most shops, Sadie's been kept pretty busy in her shop. Still, not too busy that she can't take a bit of time off and treat us to an eyeful of her...

"Yeah, there's usually a quiet hour or so soon after lunch, so I sometimes like to while away the time with a few 'power tools' of my own. I've nearly been caught a couple of times, but that only gets me feeling even hornier!"

### See Emily Play

I was drinking at the bar with my missus Emily when we got chatting, pretty dirtily, to this young bird Jackie.

We all sat down in a cosy corner at the back of the club, just chatting about things we do and enjoy. A few drinks down the line Jackie started talking about her sexual fantasies.

She also told us about the lack of sex in her life. She explained in minute detail about her craving for pussy juices.

Then she asked me, as I watched her blatantly touch up Emily's pussy in front of me, if I would mind her

touching and licking Emily's pussy.

I was very turned on by this suggestion and of course I told her that I wouldn't mind in the least. Mind? Fuck me, I was thinking, I would love it!

Then Jackie began to peel off Emily's thong. She slid Emily down the bench and, pulling up her skirt, revealed her neatly trimmed pussy.

Jackie wasted no time at all going down on Emily. I could see my girlfriend was turned on to fuck as this stranger licked, fingered and chewed her pink pussy.

At this time I pulled out my throbbing cock. I started wanking, and Emily leaned across to lick and suck my balls. "Whoa yeah, suck it

bitch!" I said. I couldn't stand having two girls getting off without me so I slid my bottle of beer up Jackie's cummy cunt with ease, biting on her clit at the same time.

She came in my mouth, all sweet and wet and dripping down my throat. I couldn't resist it any longer –

I rammed my cock up her as she moaned with ecstasy.

We were all on the verge of cumming. I pulled my cock out and shot my thick creamy load over Jackie's arse cheeks. It dripped down her crack and Emily immediately moved in to greedily lick it all up.

Then she started to slurp on my cock and balls, licking Jackie's pussy cream off. She asked Jackie if she wanted to come back to our house for a night of hot fucking.

Much to our delight, Jackie agreed and when we got home we were hard at it all night. Emily enjoyed it so much that she has been begging me for more group sex.

Next time Emily fancies being the centre of attention in a group of men and I may just let her do it – as long as I can watch.

David, Gravesend.
